To the Board of Commissioners of the Webster Parish Fire Protection District No. 5 Sarepta, Louisiana

Management is responsible for the accompanying financial statements of the governmental activities and each major fund of the Webster Parish Fire Protection District No. 5, as of and for the year ended June 30, 2021, which collectively comprise the District's basic financial statements as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statement on Standards for Accounting and Review Services promulgated by the Accounting and Review Service Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Supplementary Information

The accompanying schedule of per diem paid to board members and schedule of compensation, benefits and other payments to the agency head are presented for purposes of additional analysis and are not a required part of the basic financial statements. The information is the representation of management. The information was subject to our compilation engagement, but we have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any assurance on such information.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the following supplementary information on page 11 be presented to supplement the basic financial statements:

Budgetary Comparison Schedule

Such information is presented for purposes of additional analysis and, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. This information is the representation of management. We have not performed an audit, review or compilation on the required supplementary information and, accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on such information.

Management has omitted the Management Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an

essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position, results of operations, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to Webster Parish Fire Protection District No. 5.

Reconciliation of the Statement of Revenues, Expenditures, and Changes in Fund Balance of the Governmental Fund to the Statement of Activities

For the Year Ended June 30, 2021

Amounts reported for governmental activities in the Statement of Activities are different because:

Net Change in Fund Balance, Governmental Fund (Statement E)	\$ 66,080
Governmental funds report capital outlays as expenditures. However, in the Statement of Activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which depreciation exceeded capital outlays in the current period.	(46,139)
Some revenues reported in the Statement of Activities were not available as financial resources in prior year and, therefore, were not reported as revenues	
in governmental fund until current year.	(76)
Change in Net Position of Governmental Activities (Statement B)	\$ 19,865
